

BEFORE THE VILLAGE OF DOWNERS GROVE
BOARD OF PARK COMMISSIONERS

IN RE THE MATTER OF:)
)
Meeting Minutes)

BOARD OF PARK COMMISSIONERS MEETING
April 16 2009
7:00 o'clock P.M.

PROCEEDINGS HAD before the VILLAGE OF
DOWNERS GROVE BOARD OF PARK COMMISSIONERS, taken at
the Downers Grove Village Hall, 801 Burlington
Avenue, Downers Grove, Illinois, before Marlane K.
Marshall, C.S.R., License #084-001134, a Notary
Public qualified and commissioned for the State of
Illinois.

3

1 PRESIDENT GELWICKS: Good evening. The April
00:00:02 2 16th, 2009 Downers Grove Park District Board meeting
00:00:06 3 is called to order. Roll call, please?
00:00:07 4 MS. RANK: Miss Engel-Accettura?
00:00:08 5 MS. ENGEL-ACCETTURA: Here.
00:00:09 6 MS. RANK: Mr. Gelwicks?
00:00:09 7 PRESIDENT GELWICKS: Here.
00:00:10 8 MS. RANK: Mr. Jaros?
00:00:10 9 MR. JAROS: Here.
00:00:11 10 MS. RANK: Miss Mahoney?
00:00:12 11 MS. MAHONEY: Here.
00:00:12 12 MS. RANK: Mr. Smith?
00:00:13 13 MR. SMITH: Here.
00:00:13 14 PRESIDENT GELWICKS: Would all please rise
00:00:14 15 for the Pledge of Allegiance?
00:00:33 16 (Whereupon the Pledge of
00:00:35 17 Allegiance was recited.)
00:00:35 18 PRESIDENT GELWICKS: Madam Secretary, do you
00:00:42 19 have anything to share with us this evening?
00:00:44 20 MS. ENGEL-ACCETTURA: I do not.
00:00:45 21 PRESIDENT GELWICKS: Anybody else have any
00:00:46 22 communications? Nothing?

2

1 BOARD OF PARK COMMISSIONERS PRESENT:
2 MR. ROBERT J. GELWICKS, President
3 MR. ARTHUR G. JAROS, Vice-President
4 MS. CATHERINE C. MAHONEY, Treasurer
5 MS. KATHRYN ENGEL-ACCETTURA, Secretary
6 MR. RON SMITH, Commissioner
7
8 PARK DISTRICT STAFF PRESENT:
9 MR. DAN A. CERMAK, Administrator
10 MR. TODD REESE, Director of
 Parks
11
 MS. SANDY PFUNDHELLER, Director of
12 Recreation
13 MS. DEBORAH J. UTECHT, Administrative
 Service Manager
14
 MS. BRANDI NICE, Public Information
15 Supervisor
16 MS. LEE ARNSMAN, Assistant Director
 of Recreation
17 MR. PAUL FYLE, Landscape Architect
18
 MS. PAM RANK, Clerk
19
20 ALSO PRESENT:
21 MR. JERRY YOKSOULIAN, SEASPAR
 Representative
22

4

1 We have an opportunity for visitors to
2 address the board at this time. Any visitor who
3 would like to address the board? We will have
4 another opportunity later in the meeting.
5 Not seeing anybody, at this time we will
6 move on to the consent agenda. Dan?
7 MR. CERMAK: Yes. You have the consent agenda
8 before you this evening. It includes the approval
9 of the minutes for April 2nd, both the regular and
10 executive session meetings; the treasurer's report;
11 the payment of the bills in the amount of
12 \$546,904.39; and the last item is the request for
13 approval of the T-Mobile lease agreement first
14 amendment for Hummer Park.
15 PRESIDENT GELWICKS: Can I have a motion,
16 please?
17 MR. JAROS: A question, Dan. Did you include
18 the park district apparel?
19 MR. CERMAK: I'm sorry, Art, I did not. As
20 well as the consideration of -- it is the bifocals --
21 consideration of bids for the '09-'10 park district
22 apparel.

1 MR. JAROS: With that I move the adoption of
2 the consent agenda as presented including payment of
3 the bills in the amount of \$546,904.39.

4 MS. ENGEL-ACCETTURA: I will second the motion.

5 PRESIDENT GELWICKS: Roll call, please?

6 MS. RANK: Mr. Jaros?

7 MR. JAROS: Aye.

8 MS. RANK: Miss Engel-Acckettura?

9 MS. ENGEL-ACCETTURA: Aye.

10 MS. RANK: Mr. Gelwicks?

11 PRESIDENT GELWICKS: Aye.

12 MS. RANK: Miss Mahoney?

13 MS. MAHONEY: Aye.

14 MS. RANK: Mr. Smith?

15 MR. SMITH: Aye.

16 PRESIDENT GELWICKS: Motion is approved.

17 MR. CERMAK: Thank you. My apologies for that
18 deletion.

19 Moving on to the active agenda, we have
20 for you the approval of a facilities use agreement
21 between the Downers Grove Park District and the
22 Maple Hill Recreation Corporation. A little background

1 for you.

2 Earlier this spring the Maple Hill Recreation
3 Corporation approached the district to explore a
4 possible public/private partnership that would allow
5 public outdoor swimming this summer on a daily basis.
6 Staff has been working on the agreement with Maple
7 Hill, and we were able to accomplish something that
8 we think will work late last week. It's before you
9 this evening.

10 Several of the highlights of the agreement
11 include that the district residents will have the
12 opportunity to secure daily passes from the Downers
13 Grove Park District for use at the Maple Hill pool
14 facility. Passes will be available at both the
15 Lincoln Center and the Recreation Center on Belmont,
16 and you will need a driver's license to secure those
17 passes. The Maple Hill pool is located, of course,
18 on Belmont Road just south of Maple Avenue. The term
19 of the agreement is from May 1st through September 1st
20 this year with options for renewals for 2010 and '11.

21 Generally the park district will distribute
22 up to five hundred general admission passes every

1 day Monday, Wednesday and Friday for the 2009
2 season. Also the day camps would be allowed use of
3 the facility on various other days.

4 The cost to the district is approximately
5 \$70,000. The Maple Hill Recreation Corporation would
6 retain ownership of their facilities and their
7 property. Maple Hill would be responsible for the
8 managing of the daily operations, staffing, marketing
9 and maintenance of the facility, and both the district
10 and Maple Hill would have the appropriate insurances
11 that are necessary.

12 The last item I would just like to point
13 out very briefly is that the district would and has
14 included in the agreement a right of first refusal
15 should the Maple Hill Recreation Corporation ever
16 decide to sell their property. But I also wish to
17 note that the property is not being considered by
18 Maple Hill for sale at this present time.

19 I would be happy to answer any questions
20 you might have. Karen Martisek, president of the
21 Maple Hill Recreation Corporation, is with us this
22 evening. And she may also be able to answer any

1 questions that you may have.

2 PRESIDENT GELWICKS: Any questions? Do I have
3 a motion?

4 MR. JAROS: Mr. President, there is a memo dated
5 April 9th from our administrator concerning whether
6 the passes that would be made available would be free
7 or would be issued at a nominal charge. And I am
8 wondering if we might have a little discussion on
9 that preliminary to adopting the main agreement so
10 I have an understanding of how we would likely be
11 proceeding on that front.

12 PRESIDENT GELWICKS: Well, I will give you an
13 opinion.

14 MR. JAROS: That's all I am seeking.

15 PRESIDENT GELWICKS: I believe that given these
16 economic conditions that we're in right now and
17 given the timeframe that we are -- we are a little
18 bit more one month away from opening up -- that the
19 simplest way to do that and given the minimal cost
20 to us, I think that making it free and working it
21 through some way that Dan and staff have worked out
22 in terms of passing out the passes is an appropriate

1 way to do it. We have planned no tax increase this
2 year. We have a budget that we're working on from a
3 fiscal standpoint. It's already included -- At least
4 the majority of the dollars are already outlined in
5 the budget and we can accommodate it. So my thinking
6 is that for this year given the economic conditions
7 and given the short timeframe that we have to work
8 with it that we make it free to the public. That's
9 my opinion. Anyone else? Thoughts?

10 MS. MAHONEY: I agree with Bob. In addition
11 when I was thinking about this I thought about it in
12 context with the concerts in the park that we offer
13 in the summer, that that's a free community program
14 that we offer for everyone whether they're in town
15 or not -- live in the park district boundaries or
16 not. So I don't -- I see this sort of equally in
17 that sense. It's a summer activity. It's for a
18 limited number of weeks, months. And I am not sure
19 it would be a real efficient use of staff time to
20 be collecting a dollar from somebody or two dollars
21 from somebody. I just don't think that's, you know,
22 efficient. So I think I would favor the free

1 program.
2 I think it would be a good test also to see
3 what the interest is, you know. We wouldn't have
4 the excuse I didn't want to pay for it. So I would
5 support no cost for this summer, and everything is
6 subject to change if this comes up next year.

7 PRESIDENT GELWICKS: Ron?
8 MR. SMITH: When I read the note I was kind of
9 torn between the free pass or the nominal charge. I
10 couldn't decide what the nominal charge would be.
11 And I was kind of tangling with the bottom line
12 hoping staff may have some ideas, a suggestion. I
13 don't know.

14 MR. CERMAK: I talked to Sandy today about it.
15 We're really good with either one. The April --
16 Was it March 9th, Art, the memo you're looking at?

17 MR. JAROS: April 9th.

18 MR. CERMAK: The April 9th memo -- I think the
19 original one might have gone out on March 9th or one
20 of the March meetings -- that was simply an idea. We
21 do fund what we call a scholarship program. We fund
22 that internally. And the scholarship program is for

1 people that cannot afford recreation programs. They
2 come to us and there's various criteria they have to
3 use in order to get their child or themselves into a
4 program at no charge. We have never funded this
5 externally. We thought this might be an idea the
6 board might want to consider. But we're fine with
7 the passes being free this year also. So we don't
8 have a strong opinion one way or the other. We
9 don't know what the demand is going to be. Those
10 are simply ideas that we were thinking and -- thinking
11 and talking about what we might do when we approached
12 it this evening.

13 MR. JAROS: Is it an administrative problem for
14 the staff to collect, say, a dollar per pass charge?

15 MR. CERMAK: I will have to rely on Sandy.

16 MS. PFUNDHELLER: No. It would be the same
17 procedure as taking the registration, taking the
18 person into the system and printing the amount of
19 passes that they want.

20 MR. JAROS: If we issued the maximum number of
21 passes, how much at a dollar a pass would that bring
22 in?

1 MR. CERMAK: I think the passes would -- We
2 were able to add an additional day recently. The
3 passes are going to in total be around twenty thousand
4 passes a year should every one be used, maybe a little
5 more than that now since we added that day. Probably
6 five hundred of those would be day camp.

7 MS. PFUNDHELLER: Approximately.

8 MR. CERMAK: So let's call it nineteen thousand
9 additional dollars.

10 MR. JAROS: I sort of like the idea -- If it's
11 not an administrative problem at this late date, I
12 sort of like the idea of putting a nominal charge on
13 it to see whether if there is some cost attached how
14 popular this would be. Obviously if you offer
15 something totally for free it changes the learning
16 experience for the future. I think putting a nominal
17 amount on would probably be a better test for the
18 future. And it certainly is not going to make a
19 major dent in anyone's pocket even given what movies
20 cost and other recreation. So I guess I am -- Plus
21 the scholarship fund idea, I like creating a little
22 bit of revenue to fund that. So my preference, I

1 think, would be to put the nominal charge on.
 2 PRESIDENT GELWICKS: Okay. Kathryn?
 3 MS. ENGEL-ACCETTURA: My thinking is along the
 4 same lines as Commissioner Jaros in that it's a
 5 nominal fee. We have made the decision not to raise
 6 taxes, and a nominal fee would be something that
 7 hopefully everyone could be able to come up with a
 8 dollar. And also funding the scholarship program
 9 would probably allow again us to be able to do more
 10 with that scholarship program, and I think that is a
 11 good use of funds.

12 I also just think that if it's free it's
 13 free, and you could put some value to it even if it's
 14 a nominal value. If you could put some value to it
 15 somehow it's more appreciated.

16 PRESIDENT GELWICKS: What are your thoughts on
 17 what this nominal amount is? One dollar?

18 MR. JAROS: Yes. Fine with me.

19 MS. ENGEL-ACCETTURA: A dollar. Even two dollars.
 20 I am okay with either one. I just think a nominal
 21 fee attaches some value to it where when you give
 22 something away for free sometimes it's taken for

1 granted, sometimes it's not used. I think putting
 2 just a small fee attaches a different kind of
 3 significance to it.

4 MR. JAROS: If you put two dollars on it you
 5 could probably recover about half of our outlay. In
 6 terms of our budget it's not a big number.

7 PRESIDENT GELWICKS: Mr. Smith?

8 MR. SMITH: I am kind of leaning towards the
 9 free side. I picture it as there's three days a week
 10 where the general public can go to the pool. Let's
 11 see if we can pack it. It's more likely that if the
 12 pass is free and all you have to do is go pick them
 13 up, get in and use the concession stand and decide
 14 whether they want to join the Maple Hill pool next
 15 year.

16 PRESIDENT GELWICKS: From a staff standpoint --
 17 Could you come up to the podium, please? From your
 18 perspective either way is the same?

19 MS. PFUNDHELLER: The process is the same.
 20 When someone comes in for a pass they would show a
 21 driver's license, we enter them in the system and
 22 give them the amount of passes that they wanted. So

1 it would just be one initial click on the computer
 2 to put in the amount. If there was a dollar attached
 3 to it it's still going to spit out a receipt that's
 4 going to be their pass to get in. And it's
 5 essentially the same process. It would be nice to
 6 fund the scholarship program. Up until now there
 7 hasn't been a system in place to do that and the
 8 programs have absorbed that cost.

9 PRESIDENT GELWICKS: Is there any thought --
 10 Because we haven't had any discussion about this
 11 process. Is there any thought that I can do it
 12 myself from home, or do I have to go someplace? If
 13 I am already a registered user of the park district
 14 and already have a Webtrac ID, can I just do it from
 15 home?

16 MS. PFUNDHELLER: It's falling under the trip
 17 module which is the new module that we're using. I
 18 am not sure at this time if we could. I would have
 19 to look into that. Passes, we have started to look
 20 into that. But the trip module allows one person
 21 to essentially purchase any number of passes for any
 22 date that they're looking at.

1 MR. SMITH: The passes, would they be able to
 2 purchase them in advance?

3 MS. PFUNDHELLER: Yes.

4 MR. SMITH: Like next Friday if I wanted to
 5 go?

6 MS. MAHONEY: Would they be available on that
 7 day also if they weren't sold out?

8 MS. PFUNDHELLER: Yes.

9 PRESIDENT GELWICKS: And our intent is to limit
 10 it to three hundred. Is that the number?

11 MS. PFUNDHELLER: Five hundred a day.

12 MR. CERMAK: It's five hundred a day. And we'll
 13 evaluate that with Karen as time goes on and see
 14 what the need is. That language is also in the
 15 agreement that we can determine a new number if we
 16 need to.

17 PRESIDENT GELWICKS: Well, I have no problem
 18 with a nominal fee. I was more concerned about the
 19 logistics of the handling of it. If it's not a
 20 problem then I guess I am okay with a nominal fee.

21 MR. SMITH: I think the nominal fee especially
 22 if you get them in advance --

1 MS. MAHONEY: What are you thinking if someone
2 buys it in advance and then it's not a pool day?

3 MS. PFUNDHELLER: It would have to be a no
4 refund type of thing.

5 MS. MAHONEY: That's part of the understanding
6 when they purchase it.

7 MS. PFUNDHELLER: Yes. Otherwise it would cost
8 more to do the refund.

9 MS. MAHONEY: Right, right. In a pool that's
10 just the way it is anyway. I mean that's standard
11 for a pool.

12 MS. PFUNDHELLER: Sure.

13 MR. JAROS: Mr. President, I will move the
14 approval of the agreement that's been presented to
15 us in draft form, namely the facilities use agreement
16 between Downers Grove Park District and the Maple
17 Hill Recreation Corporation which bears a date of
18 today, April 16th, 2009, and as part of my motion
19 that the passes be issued for a nominal charge to be
20 set by staff and not be in excess of two dollars a
21 pass.

22 MR. SMITH: Second.

1 PRESIDENT GELWICKS: Okay. A question?

2 MS. MAHONEY: I would like that to be two
3 separate motions. I won't -- I am not going to go
4 for a nominal fee, but I do want to go for the
5 agreement. So I would like to be able to vote
6 separately.

7 MR. JAROS: Okay, that's fine. Let me withdraw
8 the motion if that's all right with the seconder.

9 MR. SMITH: I will withdraw my second.

10 MR. JAROS: I move the adoption of the agreement
11 as previously stated but without the cost of the
12 pass provision.

13 MS. MAHONEY: Thank you.

14 MR. SMITH: Second.

15 PRESIDENT GELWICKS: Any other discussion?
16 Before we move forward, Karen, do you have anything
17 you would like to add or anything to this discussion?

18 MS. KAREN MARTISEK: No, not really. I just
19 want to thank you all for considering it and going
20 ahead with this agreement. We're very excited to go
21 into partnership with you guys.

22 PRESIDENT GELWICKS: Thank you. Just to make a

1 couple comments on this, as Dan mentioned in his
2 opening remarks Karen and Maple Hill came to us
3 looking for help in this economic situation and
4 clearly with an understanding that the park district
5 has been looking for ways to provide aquatic facilities
6 to this community for a long time. In one person's
7 opinion the reason why we haven't a public pool in
8 Downers Grove is because the Downers Grove Swim and
9 Racquet Club and Maple Hill have provided that
10 capability to this community for over fifty years,
11 and so it's been a challenge for us.

12 Given the situation of the cooperation
13 between that organization and us, it's taken less
14 than sixty days to come to this arrangement from the
15 first time we had the conversation, which I think
16 for a government entity is a record, okay, for this
17 kind of arrangement. And certainly Dan and staff
18 and yourselves are to be commended for, I think, this
19 cooperative spirit that exists here. I think this
20 is a real win for the community and for all of us.
21 So really thank you for your efforts. And we're
22 going to have some bumps in the road here going

1 forward, but we're, I think, all up to that and
2 looking forward to having a working relationship
3 with you and your staff.

4 Karen, for those of you who don't know, is
5 one of the more passionate swim people around. And
6 I will tell you, she certainly has a passion for
7 Maple Hill. And it's been a challenge for her. And
8 I am sure that working with us we'll be able to make
9 this a real success. So thank you. Appreciate it.

10 MS. MARTISEK: And thank all of you.

11 PRESIDENT GELWICKS: Any other comments?

12 MS. MAHONEY: I am just going to restate that
13 I think this is a really good thing for the park
14 district to be doing as a community effort, and I
15 think it shows a lot of willingness to work within
16 the community no matter what the request is.

17 PRESIDENT GELWICKS: All right. Roll call,
18 please?

19 MS. RANK: Mr. Jaros?

20 MR. JAROS: Aye.

21 MS. RANK: Mr. Smith?

22 MR. SMITH: Aye.

1 MS. RANK: Miss Engel-Acsettura:
 2 MS. ENGEL-ACCETTURA: Aye.
 3 MS. RANK: Mr. Gelwicks?
 4 PRESIDENT GELWICKS: Aye.
 5 MS. RANK: Miss Mahoney?
 6 MS. MAHONEY: Aye.
 7 PRESIDENT GELWICKS: Motion is approved. We
 8 have an agreement. One load's off your shoulders.
 9 Okay.
 10 MR. JAROS: Mr. President, I would like to move
 11 further that the swim passes be issued at a nominal
 12 cost of not to exceed two dollars per pass.
 13 PRESIDENT GELWICKS: That's to be established
 14 by staff.
 15 MR. JAROS: To be established by staff.
 16 PRESIDENT GELWICKS: Do I have a second?
 17 MS. ENGEL-ACCETTURA: I will second that.
 18 PRESIDENT GELWICKS: Any other discussion?
 19 MS. MAHONEY: Yes. I will just state my reasons
 20 for not going along with that. Just as what I just
 21 said, I think this is a community-wide effort. The
 22 park district does offer other free items such as

1 the -- over the summer the big one is the concerts
 2 in the park. I think this falls right in line with
 3 that. And I don't think that -- I think this should
 4 be looked upon as a public relations effort, and
 5 it's not the cost effort. So that's why I won't be
 6 supporting that motion.
 7 PRESIDENT GELWICKS: Any other comments?
 8 MR. JAROS: I guess I have two as to why I
 9 favor this. When we say the passes are free, they're
 10 really not free; it's just a question of who's going
 11 to pay for it. And even at a nominal cost the users
 12 would pay for part of the cost and the taxpayers
 13 would pay for the rest. Our budget dollars are finite.
 14 The more we can bring in from the users either the
 15 less the taxpayers have to pay or there's more dollars
 16 available for other programs.
 17 In the case of the concerts in the park I
 18 understand that. But the facility itself is basically
 19 a free facility. We already own the land. We don't
 20 pay rent for the land; we own the land. Here we're
 21 actually incurring a facility cost. And many of our
 22 recreation programs do have costs attached to it. As

1 long as there is not an administrative problem, and
 2 the staff has assured us there is not, I think it is
 3 equitable that the users pay a little bit for the
 4 fun they're going to receive at Maple Hill.
 5 PRESIDENT GELWICKS: Okay. Any other discussion?
 6 Roll call, please?
 7 MS. RANK: Mr. Jaros?
 8 MR. JAROS: Aye.
 9 MS. RANK: Miss Engel-Acsettura?
 10 MS. ENGEL-ACCETTURA: Aye.
 11 MS. RANK: Mr. Gelwicks?
 12 PRESIDENT GELWICKS: Aye.
 13 MS. RANK: Miss Mahoney?
 14 MS. MAHONEY: Nay.
 15 MS. RANK: Mr. Smith?
 16 MR. SMITH: Aye.
 17 PRESIDENT GELWICKS: Motion is approved.
 18 MR. CERMAK: Thanks very much. We will be
 19 working with Karen and her staff in regard to
 20 distribution and getting all the logistics set up.
 21 The swim season, I believe, begins May the 23rd?
 22 MS. MARTISEK: Yes. Memorial Day weekend we

1 open.
 2 MR. CERMAK: Memorial Day weekend, May the 23rd.
 3 We'll be putting some information up on our website
 4 and in the press, and we will publicize this the
 5 best as we can.
 6 Moving on we have got before you this
 7 evening the 2009-'10 preliminary budget review. I
 8 would like Administrative Service Manager Deb Utecht
 9 to review briefly the information that covers the
 10 documents that you have received tonight in
 11 anticipation of a more detailed review with the
 12 staff and more staff members on May the 7th. Deb, I
 13 will hand it over to you.
 14 MS. UTECHT: Thank you. The budget review for
 15 2009 as Dan has said is a draft at this point. This
 16 budget was based on the frozen property taxes that
 17 were mentioned earlier in the meeting. And the budget
 18 is actually declining from \$20.2 million last year
 19 to \$16.4 million this year, approximately 19%.
 20 The following guidelines were considered
 21 when preparing the draft budget: Meeting the district
 22 mission of providing quality recreational opportuni-

1 ties, services and parks for residents and at the
 2 same time maintaining revenue levels while cutting
 3 costs in order to deal with the economic times that
 4 we have; controlling expenses using cost effective
 5 and efficient practices; consideration of green
 6 initiatives; continue to use technology for greater
 7 efficiency and communication with our residents;
 8 using the community needs assessment information for
 9 evaluating initiatives; and positive operating income
 10 for all major funds as well as the goal of \$3.5
 11 million cash balance excluding debt service.

12 The revenue assumption. One of the major
 13 changes in the budget is that the extraordinary
 14 donations from the Village of Downers Grove and the
 15 forest preserve as well as the \$750,000 OSLAD grant
 16 that were received in the current year will not occur
 17 in 2009-'10. So this is a large decrease in the
 18 budget revenue of approximately \$1.1 million.

19 The expenditure assumptions --
 20 PRESIDENT GELWICKS: Excuse me, Deb. The other
 21 extraordinary event is the bond issue, correct?
 22 MS. UTECHT: Yes. We had a bond issue. That's

1 true, yes.
 2 PRESIDENT GELWICKS: Which was even bigger than
 3 the \$1.1 million.
 4 MS. UTECHT: Yes. It's a financing, it is not
 5 a revenue. But yes, that's true.
 6 PRESIDENT GELWICKS: But it accounts for the
 7 twenty million.
 8 MS. UTECHT: Yes, absolutely.
 9 PRESIDENT GELWICKS: And it accounts where
 10 there is a delta between sixteen million and twenty
 11 million.
 12 MS. UTECHT: Absolutely. Yes, thank you.
 13 The expenditure assumptions. That Maple
 14 Hill, the pool program that was previously approved
 15 by the board, of course, will increase the
 16 expenditures. And the debt service is increasing
 17 as President Gelwicks mentioned with the bond issue
 18 that was approved last November of 2008. And we
 19 have some anticipated decreases from some of the
 20 going green initiatives of the staff as well as
 21 changing a staffing program.
 22 Some of the green initiatives were

1 installation of occupancy centers at both Lincoln
 2 Center, the Rec Center to reduce environmental
 3 impact by cutting down lighting usage and decreased
 4 energy use of the Interpretive Center by replacing
 5 lobby lighting with LED and CF bulbs as well as
 6 other programs which have been advertised such as
 7 the battery recycling program.
 8 For the capital outlay the General Fund
 9 has a number of capital programs. The Natural Areas
 10 Fund is continuing with the streambank stabilization
 11 for PSA I and II. And the capital projects plan is
 12 for the board's reconsideration. The three vehicles
 13 listed have been reduced from five that were originally
 14 given to the board and include vehicles number 27, a
 15 1999 cab and chassis; number 32, a 2000 pick-up; and
 16 number 34, a 2000 pick-up. Costs for Lot 184 grading;
 17 portable lighting, Walnut property grading and
 18 comprehensive open space master plan per the board's
 19 request are included as information in the capital
 20 portion of the plan, but the costs have not been
 21 included in the plan. This capital plan is in
 22 addition to the \$2.3 million of the intergovernmental

1 agreement stormwater programs with Washington Park,
 2 Sterling North and also for McCollum Park.
 3 And in the capital plan we have things
 4 such as Patriots Park pond engineering, \$50,000, the
 5 Blodgett House phase one exterior renovation, Lincoln
 6 Center parking lot renovation, IGA alternate bid
 7 items, golf course parking lot, Recreation Center
 8 carpet replacement and miscellaneous items.
 9 Land acquisition is not budgeted in the
 10 Capital Projects Fund for '09-'10, for this year.
 11 And also the capital outlay has a decrease
 12 because of the current year purchase of the Walnut
 13 property; and that, of course, will not be planned
 14 for the new budget year.
 15 The budget schedule. As Dan mentioned there
 16 will be a more detailed meeting on May 7th to discuss
 17 the budget with all the other staff, and on May 21st
 18 the resolution authorizing the tentative form of the
 19 budget and appropriation ordinance to be on file for
 20 thirty days for the public. That will put the
 21 documents on file. And then July 16th is the plan
 22 for the public hearing and approval of the budget

1 ordinance.

2 On page 6 we have the CAFR presentation of
3 the budget showing the revenues of \$11.2 million and
4 the expenses of \$11.4 million with the property taxes
5 again being frozen. Program revenues and fees are
6 up and operations are pretty flat at a 0.4% increase.
7 Debt service is up again from the bond issue.
8 Capital again a decline because of the decline in
9 projects. Particularly with the purchase of the
10 property is the main item that there is a decrease.

11 MR. CERMAK: If I could just add one thing in
12 that, due to the fact this is presented in the CAFR
13 format, there is no indication of funds carried
14 forward here which, I think, are slightly below the
15 board's goal.

16 MS. UTECHT: Yes. And on page 11 it shows the
17 '09-'10 budget compared to the '08-'09 budget and
18 the estimate for '08-'09 again with the revenues and
19 expenses with an operating margin of approximately
20 \$2 million and the capital outlay of \$1.6 million
21 with the ending cash balance of \$4.2 million. And
22 there is a decline in the current liabilities for

1 the district because of changes in the actual numbers
2 for the cash. So that leads to a slight increase in
3 the ending cash balance compared to the budget for
4 '08-'09, the current year, but it is a decrease in
5 the overall cash for -- compared to the current year
6 estimate of '08-'09.

7 That's kind of a brief summary of the
8 budget document. And the books will be coming for
9 the next meeting. I am sure if you have insomnia
10 problems that will take care of it. And if you have
11 any other questions I would be happy to the answer
12 them.

13 PRESIDENT GELWICKS: Questions? I have just
14 one comment. Looking at page 6, the CAFR presentation,
15 if I look at the 2009-'10 budget, the bottom line,
16 we show a negative two fifty-nine. I think for
17 purposes of a budget we should have a goal of net
18 zero plus, not negative. And I just think from a
19 budgeting standpoint I don't think this is a -- I
20 understand the challenges this year, but I firmly
21 believe that we ought to be operating on a zero plus
22 basis here where we're not taking money out of

1 existing cash balances to balance the budget. My
2 thoughts.

3 MR. CERMAK: If I could add just a little bit
4 to that, we did look at that number. We have
5 certain -- And this is a portion of the answer and
6 I am sure Deb can do a better job than I can. But
7 we have a number of projects that perhaps will not
8 be completed this year; so, unfortunately, we have
9 to include the expense next year. But if we were
10 to go with not including the revenues to fund those
11 expenses we would be funding them from (inaudible)
12 dollars. They're currently budgeted in this fiscal
13 year and may not be completed until after June 1.
14 So we have a situation here where we have got revenue
15 past fiscal year, expenses in the new fiscal year,
16 and we really need to carry forward on those to
17 complete those projects. Deb, could you explain
18 that perhaps a little bit better than I did?

19 MS. UTECHT: I think that was a good explanation.
20 That is true, that the deficit if you will here is
21 due to the fact of the capital projects. It shows
22 the \$1.3 million available for capital projects, and

1 capital projects \$1.6 million. So just based on the
2 current year's information you would only spend \$1.3
3 million. But, in fact, we do have projects that
4 overlap our fiscal year. And in order to spend that
5 money because it was not spent in the current year,
6 then you increase the capital projects.

7 PRESIDENT GELWICKS: And I understand that. And
8 to the extent that we could document that and show
9 the positive impact to then the 2008-2009 -- then
10 2008-2009 should have a corresponding positive impact
11 in which case there is a carryover of expense to the
12 next year -- then I am okay with that. I just don't
13 see that here.

14 MS. UTECHT: Yes. Unfortunately we don't really
15 go into the CAFR accounting with the way we have the
16 thing set up.

17 PRESIDENT GELWICKS: All I would like to do is
18 see the three items that total \$250,000 and see it.
19 That's it. I am simple. I am not trying to make
20 this an accounting issue --

21 MS. UTECHT: Good.

22 PRESIDENT GELWICKS: -- where it all has to be

1 balanced. All I am looking for is a memo on the side
2 that just shows it.

3 MR. CERMAK: An e-mail.

4 PRESIDENT GELWICKS: An e-mail note is fine for
5 that. Does that make sense?

6 MS. UTECHT: Yes.

7 MR. CERMAK: Yes. I was not trying to explain
8 that that's in total \$259,000. Conceptually
9 speaking we have various projects that may carry
10 forward. And I am not just speaking about this
11 year; I am speaking about every year that I can
12 recall that the projects don't necessarily begin on
13 the beginning date or end on the ending date of the
14 fiscal year. Conceptually speaking I am sure there
15 are some in here this year. I am not sure what that
16 number might be.

17 MR. JAROS: Deb, how much is our required cash
18 set aside for our two bond issues? Some of our cash
19 has to be segregated legally.

20 MS. UTECHT: It looks like \$900,000.

21 MR. JAROS: Total \$900,000?

22 MS. UTECHT: Uh-huh.

1 MR. JAROS: So in terms of our cash position --
2 I am looking at page 11 which is the all funds combined
3 statement. We're coming up to the low point of our
4 year which is the end of our fiscal year on May 31.
5 Our budget called for us to have ending cash of \$3.9
6 million. Is that right?

7 MS. UTECHT: Yes.

8 MR. JAROS: And the staff's current estimate
9 indicates instead of being at 3.9 at our low point
10 coming up next month we're going to be at almost 4.6.
11 Is that right?

12 MS. UTECHT: Yes.

13 MR. JAROS: And of the 4.6 \$900,000 has to be
14 segregated for our bond reserve. Right?

15 MS. UTECHT: Yes.

16 MR. JAROS: So that means our legally
17 unrestricted cash spread among the different funds
18 would be about \$3.7 million?

19 MS. UTECHT: Uh-huh.

20 MR. JAROS: Okay. And the board informally
21 years ago by consensus established a target of \$3.5
22 million of cash at the low point. So even taking

1 out the restricted bond reserve we're going to be
2 about \$200,000 greater than our longstanding target.
3 Now, that target may be revised by the new board,
4 but we're right on track. We're a little bit above
5 our target.

6 So if we -- Since we're above where we
7 expected to be, if you want to spend \$200,000 extra
8 that would bring you right down to 3.5. You're sort
9 of in line. So I agree with what the president said
10 conceptually, we shouldn't be draining down. But if
11 it's certainly a controllable thing and we know it's
12 not going to cause a problem, the board can decide
13 that as it goes looking at the capital outlays.

14 PRESIDENT GELWICKS: I am into a philosophy a
15 little bit of starting with a zero base, okay? And
16 to the extent that over the course of the year
17 something changes, then clearly it's just a budget,
18 it's a piece of paper that you can modify appro-
19 priately. I think for purposes of a planning
20 standpoint you should be looking at a zero loss
21 and go from there. I understand there could be
22 extraordinary things carried forward.

1 MR. CERMAK: There is. To be honest with you
2 we have never worked off that philosophy before. We
3 always tried to maintain fund balances to the level
4 we thought necessary and utilize the fund balances
5 to maximize the capital projects or the services we
6 produce. It's a little bit of a change in philosophy.

7 PRESIDENT GELWICKS: I have one other question.
8 Staying with page 11 on the 2008-2009 estimates, if
9 I read this correctly for revenue for this year we
10 are estimating that we're going to be approximately
11 \$100,000 under what the budget was, twelve one versus
12 twelve two. Is that correct?

13 MS. UTECHT: Right.

14 PRESIDENT GELWICKS: So but we're estimating
15 from an expense standpoint -- and I understand this
16 is an estimate -- that we're going to be about
17 \$150,000 over what the budget was from an expense
18 standpoint. Is the reasoning for that what we just
19 talked about in terms of expenses that --

20 MS. UTECHT: Well, part of it is. It is capital
21 related. If you look at line Capital Items Expense
22 which is in the expenditures a couple lines above the

1 underlining, there is like \$30,000 there that wasn't
 2 budgeted. That's again accounting where we budget for
 3 everything as a total and then it becomes separated
 4 out. And the same thing is true in the capital
 5 projects. There's \$100,000 in salaries and wages
 6 and \$46,000 in contractual services. In the capital
 7 section of page 4 of the budget information there's
 8 a section that Todd and I worked on for capital. And
 9 those are not budgeted but, in fact, they end up being
 10 expensed for accounting purposes. I think for your
 11 purposes it confuses. So what we'll do is we'll put
 12 them back where they were budgeted instead of where
 13 they were actually planned on being expensed because
 14 it's too confusing. When you add those numbers up
 15 you have --

16 PRESIDENT GELWICKS: You explained it. I
 17 understand that. Because the thing that makes it
 18 then more difficult is we use the 2008-'09 estimate
 19 as the base for comparing the 2009-'10 budget, and
 20 now you are reversing it again.

21 MS. UTECHT: Exactly.

22 PRESIDENT GELWICKS: So being consistent across

1 there will simplify the comparison.

2 MS. UTECHT: Yes. It's not comparing apples to
 3 apples, so we need to adjust that.

4 PRESIDENT GELWICKS: Thank you. Any other
 5 discussion on this? Okay. We'll have a 150-page
 6 discussion the next meeting.

7 MR. CERMAK: Yes, we will. I want to thank the
 8 staff. Staff's been working on this. We began this
 9 process in December and we're still at it, and we
 10 have got a ways to go. But I think to this point we
 11 have done a pretty good job and we have had a very
 12 good plan shaping up for next year considering the
 13 economic constraints that we're all under.

14 The next item we have -- That completes
 15 the active agenda items. The next item is Parks
 16 report. Director Reese.

17 MR. REESE: Thank you, Dan. Good evening,
 18 Board Members. It's been an extremely busy and
 19 productive last thirty days for the Parks Department
 20 and Golf Maintenance Department with park planning
 21 and capital development, Lyman Woods streambank
 22 stabilization projects. We have completed prescribed

1 burns late in March, we have completed the installation
 2 of native seed and we have also completed the instal-
 3 lation of several new trees. At Hoopers Hollow we
 4 have completed the planning process for the new trail
 5 improvements. We have submitted drawings to the
 6 village for permit review. We actually released
 7 those drawings for bidding today, and we'll see
 8 those back before you for consideration at the May
 9 7th board meeting. Those improvements will be
 10 completed before June 1st.

11 We have included in the bid package three
 12 alternative bids. Some of those alternates will
 13 include options for green initiatives. So we look
 14 forward to bringing those back to you. In all cases
 15 the options will include the use of recycled crushed
 16 concrete for the stone base in lieu of a quarried
 17 gravel. So again we'll bring those to you on May the
 18 7th.

19 Village stormwater improvements are finally
 20 underway. The construction fence went up today. We
 21 did put out on the table, I think, or circulated some
 22 pictures of the improvement or construction improvement

1 signs. So it'll be a busy but exciting six months
 2 or so.

3 McCollum Park is not commenced. I think
 4 we're hoping to get started by around May 1st.
 5 Sterling North is probably still thirty days away
 6 before we get final drawings and then commence
 7 sometime after that. But it's very exciting.

8 Hummer Park playground renovation. I
 9 think we reported to you but we'll report to the
 10 public at this time that the new playground opened
 11 on March 27th. Paul and I were by there today and
 12 it was already busy. So that's very exciting. And
 13 the crews will complete turf restoration, installation
 14 of some park benches over the next several weeks.

15 McCollum Park soil remediation improvements
 16 were released for bid today as was the Warrentville
 17 sanitary sewer improvements.

18 Staff is working on some sign improvements
 19 for the Recreation Center. We have actually got two
 20 projects there that are budgeted this year. One is
 21 to raise or elevate the entrance sign on Belmont three
 22 to four feet. We have got bids in or proposals in

1 hand. The permit has been received and you should
 2 see that occur in the next probably two to three
 3 weeks. Also we're working on some options for a
 4 facility identification sign on the east building
 5 face. That would be the face that points out towards
 6 Belmont. And staff is talking to a couple of sign
 7 companies and we're working on some photo simulations.
 8 We're working on those with Dan. So again we hope
 9 to have both of those improvements completed in the
 10 next thirty to forty-five days.

11 For the Park Maintenance Department staff
 12 has turned on the water for all the restroom
 13 facilities and concession facilities, drinking
 14 fountains and so forth. Picnic tables are all back
 15 out. Waste receptacles are back out, and the parks
 16 are in pretty good shape. Everything came through
 17 the winter pretty well.

18 We have installed outfield home run
 19 fencing, foul poles at Doerhoefer ballfield and
 20 cleaned out the dugouts and bleacher areas.

21 We have completed all our safety training
 22 for the year.

1 We have installed drainage underneath the
 2 path at Spring Park which has been a problem for
 3 several years, installed wind screens at Doerhoefer,
 4 completed in-house pruning at Memorial, Gilbert,
 5 McCollum and Whitlock, completed streambank clean-up
 6 at Belmont and Curtiss as well as Lyman Woods. We
 7 completed DR mowing at Lyman Woods, Walter B. Carroll,
 8 Wandschneider and Gilbert. And believe it or not we
 9 had some snow removal activity earlier in the 30-day
 10 period. So this is a transition month for us. We're
 11 coming out of winter into spring. We have had rain,
 12 snow, sleet, everything, but the parks really came
 13 through well.

14 On the golf course maintenance side of
 15 things the course was prepped. It looked great for
 16 the March 14th opening. And we have also completed
 17 some contractual tree pruning there.

18 So everything looks great. Spring is
 19 finally here and staff is excited. We'd be happy to
 20 answer any questions you have.

21 PRESIDENT GELWICKS: Anybody have any questions?
 22 I have just a couple comments and questions. Going

1 past the Blodgett House in the past few days it
 2 appears that there has been some activity from our
 3 volunteers.

4 MR. REESE: There has. There was a little bit
 5 of earthwork done earlier in the week, and the old
 6 windows have actually been removed. You can now see
 7 the window openings pretty clearly. We ran into
 8 Charley Smart earlier in the week. I know they have
 9 done some measuring and, I think, ordered the windows.
 10 And Dan and I ran into one of the subcontractors who
 11 is going to be working on the roof framing, and that
 12 work is starting to progress as well.

13 PRESIDENT GELWICKS: Looks good.

14 With regards to Washington and the
 15 playground, a question that I was asked was what
 16 happens to the playground equipment there.

17 MR. REESE: Good. Thank you for the opportunity
 18 to comment. Paul has been working with the contractor,
 19 our attorneys and a volunteer agency that will be
 20 removing the old equipment. And I believe they take
 21 it I think to Third World countries and reinstall
 22 it. So the equipment actually as of today becomes

1 the property of the contractor. Under the bid
 2 documents it's theirs to do with as they please.
 3 They can take it to the landfill, recycle it or
 4 donate it. They have chosen to work with us and
 5 this third party to reclaim it, reuse it, reassign
 6 it. And, in fact, Paul completed some paperwork today
 7 for us to be released from any liability. It's very
 8 exciting as well.

9 PRESIDENT GELWICKS: That's very good. Thank
 10 you.

11 MS. ENGEL-ACCETTURA: I have one more question
 12 on that same topic. Is there going to be another
 13 swirly slide in Washington Park to replace the one
 14 that they took out?

15 MR. REESE: I don't know. But I know someone
 16 that does know and he's in the audience. If he can
 17 step up?

18 MR. FYLE: I couldn't say.

19 MR. REESE: Well, he says he can't say. I know
 20 there are several slides and there is a lot of
 21 exciting new playground equipment. We went through
 22 a public process, invited the neighborhood in and

1 they were a big part of the selection process. If
 2 you would like to know --
 3 MS. ENGEL-ACCETTURA: I would like to know.
 4 MR. REESE: We will send you an e-mail. We'll
 5 let you know tomorrow.
 6 MS. ENGEL-ACCETTURA: Thank you.
 7 MR. REESE: Thank you.
 8 PRESIDENT GELWICKS: Thank you. I didn't know
 9 you were a slide person.
 10 MS. ENGEL-ACCETTURA: I have little people that
 11 have enjoyed that whirly slide for the last couple
 12 years, and they're very, very interested in knowing.
 13 I just need to report back to our constituents.
 14 MR. SMITH: I have one question. On the
 15 Blodgett House if there is someone who is interested
 16 in volunteering labor should they call so you put
 17 them in contact with Charley?
 18 MR. REESE: Yes, I think -- Well, they can
 19 contact the main office and either talk to myself
 20 or Dan. Thank you. Also if we can have the oppor-
 21 tunity we might suggest people in the Washington
 22 Park neighborhood looking for a playground alternative,

1 Hummer Park which we mentioned earlier is just a few
 2 blocks east. Brand new playground. Very exciting.
 3 MS. ENGEL-ACCETTURA: It looks good.
 4 MR. REESE: Thank you.
 5 MR. CERMAK: Thank you. Moving along, the
 6 Recreation report. We have Director Pfundheller.
 7 MS. PFUNDHELLER: Good evening. Some highlights
 8 for the Recreation Division. Our fitness memberships
 9 for April, 2009 hit a high of 2,771, and that's
 10 compared to 2600 in April of 2008.
 11 The pool pass exchange program began on
 12 April 6th. As of the 8th on the second day we had
 13 235 resident household verifications come in. Total
 14 for last season was 377. So it's been a good start
 15 to that program.
 16 The golf course has received beginner-
 17 friendly certification from the National Golf Course
 18 Owners Association. What this certification means
 19 is it was established to locate those courses that
 20 welcome new players and can be identified as
 21 beginner friendly. That would be me.
 22 And then the McCollum Park mini golf

1 concession stand will open for the season on
 2 Saturday, April 18th. They will have evening and
 3 weekend hours.
 4 PRESIDENT GELWICKS: Are you sure that beginner
 5 friendly wasn't for the mini golf?
 6 MS. PFUNDHELLER: That's probably where I belong.
 7 MS. MAHONEY: I think you would get some
 8 discussion about beginner friendly at the golf course.
 9 MS. PFUNDHELLER: TV Turn Off Week activities
 10 begin April 20th; our dry cell battery recycling
 11 begins that same week, April 20th, at the Rec Center;
 12 and then our gym shoe and cell phone recycling
 13 collection bins will be placed at the facilities
 14 beginning April 20th.
 15 Upcoming events. We have a volunteer work
 16 day that's been organized for thirty volunteers from
 17 Sara Lee on April 22nd at Wandschneider Park. We
 18 have our 24th annual road rally event scheduled for
 19 Saturday, April 25th. And then the museum is
 20 planning a new event for May 2nd called the Art
 21 Chester Memorial Model Airplane Contest. It's a free
 22 event held on the museum campus.

1 Included in the packet were some drafts of
 2 the promotional signage we're going to utilize for
 3 the advertising at the Rec Center. And those were
 4 the full color drafts that were at the back of the
 5 packet. These will go up on the signs down the
 6 hallway towards the track. And we will actually
 7 sell that space as advertising to the community.
 8 And then last I have an update on
 9 sponsorships. Our public information staff has
 10 secured three score card sponsors for the golf
 11 course; Met Life Insurance, Wysocki Services and
 12 Bob Carter Auto Body totaling just over two thousand
 13 dollars. Buca Di Beppo is the sponsor of our spring
 14 soccer league, and they have also agreed to partici-
 15 pate in our banner program.
 16 And then for the Five and Ten Miler event
 17 on June 14th we have Dunkin' Donuts providing
 18 complimentary breakfasts and coffee for the
 19 volunteers, we have Red Line Press that has donated
 20 the printing of 3,000 race pamphlets and the Center
 21 for Chiropractic Health has committed \$750. So
 22 we're doing really well in that area. If you have

1 any questions on anything I can answer them now.

2 MS. MAHONEY: I don't have any questions. I
3 just really appreciate the hard work on getting the
4 sponsors. And I would like to thank those sponsors
5 who are coming forward for our community programs.

6 PRESIDENT GELWICKS: We might want to think
7 about how do we thank them through especially as
8 this builds up a golf outing for them or something.
9 I am just throwing that out. Something just to
10 acknowledge what they do for us. We ought to think
11 about something maybe we could do. If nothing else
12 invite them here or something and acknowledge them
13 in public somehow. I think it's great.

14 MS. ENGEL-ACCETTURA: Or maybe get some
15 recognition through advertising.

16 PRESIDENT GELWICKS: Sure.
17 Behind us we have a banner. It looks a
18 little different.

19 MS. PFUNDHELLER: A little bit different. The
20 new logo is up there. We're slowly transitioning
21 everything over.

22 PRESIDENT GELWICKS: The only comment I have on

1 this is I still believe we ought to put our website
2 address on these just to highlight it and keep
3 people focused on where to go for information.

4 Your 2771 number which is outstanding for
5 the Fitness Center, do we have a max number that
6 we're concerned about?

7 MS. PFUNDHELLER: We do. To tell you what that
8 is right now off the top of my head I don't know. I
9 know 2600 was the standard that we were looking for,
10 so we're just over that. But we're just starting to
11 see the machines where we have people waiting for a
12 machine. That's just starting. So we do need to
13 address it.

14 PRESIDENT GELWICKS: Okay. So 24-hour
15 operation?

16 MS. PFUNDHELLER: I don't know about that.

17 PRESIDENT GELWICKS: You don't know about that?
18 Some of our competitors, I understand, are open late.

19 Anyway, anything else? Thanks.

20 MS. PFUNDHELLER: Thanks.

21 MR. CERMAK: Thank you. Next report would be
22 SEASPAR report. Mr. Yoksoulion is here with us this

1 evening. Jerry is our SEASPAR representative.

2 MR. YOKSOULIAN: Good evening, Board. How are
3 you?

4 PRESIDENT GELWICKS: Good evening, Jerry.

5 MR. YOKSOULIAN: I don't have a SEASPAR report
6 today because we didn't have a meeting in April yet.
7 That'll be next week. But I am going to take this
8 golden opportunity to remind you of the SEASPAR
9 benefit concert coming up. It's a big fundraiser
10 for us. It's not \$10, it's not \$15, it's \$20. It's
11 a very good value. It's on April 29th, Wednesday.
12 It should appeal to all ages. And it's -- let me
13 read what it says here -- Johnny Rogers, America's
14 premier Buddy Holly performer, in a tribute to Buddy
15 Holly, Elvis Presley, the Beatles, Chuck Barry and
16 so on. You should be able to get those tickets at
17 the SEASPAR office on Belmont at the Rec Center.
18 And it's also here along with some businesses on
19 Main Street, the Anderson Book Shop, Consider It
20 Done, Gregaro's Restaurant and Bar, Emmett's Ale
21 House and Ballydoyle's Irish Pub. But again it's a
22 good value. It's in the middle of the week. He's

1 quite a performer, and we are looking to it for
2 raising funds for SEASPAR. Thank you very much.
3 That's all I have.

4 PRESIDENT GELWICKS: Jerry, one other thing.
5 You also are having a golf outing in the summer?

6 MR. YOKSOULIAN: Yes, we do. I don't have the
7 date. It's usually in June or July. I think it's
8 in June. We have a pretty good turnout there. We
9 even, you know, have a number of people from Downers
10 Grove. Last time the new mayor wasn't there but the
11 old mayor was there, and the park district is
12 usually represented well over there. So looking
13 forward to that. And that is a big fundraiser and
14 it's held in Woodridge. Thank you for asking.

15 PRESIDENT GELWICKS: Thank you, Jerry. Do we
16 have a plan commission report?

17 MR. SMITH: There was no activity in the early
18 April meeting of the plan commission with regard to
19 the park district.

20 PRESIDENT GELWICKS: Unfinished business,
21 anybody? Anybody?

22 MR. SMITH: I have one question about the pool

1 passes that I didn't get to ask earlier. Will they
2 be available at the pool if somebody shows up at the
3 pool?

4 MR. CERMAK: I don't believe so. I think when
5 we had talked to Karen they would like identification
6 approved to actually come to the pool. So they have
7 to go through our process in order to get the names.
8 So they won't be available at the pool; they will be
9 available at the Recreation Center and I believe
10 Lincoln Center.

11 PRESIDENT GELWICKS: You know, this is a
12 perfect opportunity for me. If we had a park
13 district membership card, ID card, it would certainly
14 facilitate showing up and knowing that you're a park
15 district member and seeing your picture. I know
16 that's been something we talked about. Is that in
17 the budget this year? Because here's another example
18 of how it would really facilitate this whole
19 process.

20 MR. CERMAK: It is not in the budget to my
21 knowledge, but I know staff is working on it. I
22 think Deb is going to give you a brief update on it.

1 We were actually calling it something like a smart
2 card.

3 MS. UTECHT: It is part of our program to get
4 this. In the transition to the new website and the
5 new -- If you have seen there's a new standard, a
6 new registration information on there through our
7 VSI. Also now the passes can be -- are good at the
8 golf course and we have gift cards. So with all
9 that this is the next step, to bring that in too.
10 So it's part of the plan for our computer budget in
11 the capital, and we just have to finish out the final
12 details.

13 PRESIDENT GELWICKS: So it's budgeted in the
14 2009-'10 fiscal year?

15 MS. UTECHT: It is because we don't think it's
16 going to take a lot from the perspective of -- You
17 know, it's not detailed out as saying we need this
18 much money. We believe we can do it within the
19 current budget that's in the capital.

20 PRESIDENT GELWICKS: Good. So if we move forward
21 with this in future years we will have a separate way
22 of doing it.

1 MS. UTECHT: That's the plan and hope.

2 PRESIDENT GELWICKS: Sounds good.

3 MS. UTECHT: Thank you.

4 MS. MAHONEY: Deb, will the golf course be a
5 part of that?

6 MS. UTECHT: Yes. Well, currently the golf
7 course and passes -- If you go to the golf course
8 and you are the household you can use what is on
9 your household at the golf course. So let's say
10 there's a refund for your family on the registration
11 program. You go to the golf course and you want to
12 buy a round of golf. You can use that money as part
13 of your payment towards this round of golf. So in a
14 sense we have kind of gotten it partially because we
15 have a household and it's all connected to everything.
16 It's just the mechanics of making more smart kind --
17 it's not really a smart card, but more of benefits,
18 getting all the benefits to the program together.
19 It's kind of like we're building on top of it at
20 this point.

21 MS. MAHONEY: Right. I will talk to you off
22 line about something I saw at the golf course. But

1 that's good to know. It's something I have observed.
2 But we'll talk later.

3 MS. UTECHT: Okay. Thank you.

4 PRESIDENT GELWICKS: Thanks.

5 MR. CERMAK: It's good unless you don't want
6 your kids using the balance in your household account.
7 Those are parental decisions, I suppose.

8 PRESIDENT GELWICKS: Do we have any new business?
9 Anybody? No new business?

10 We have an opportunity for visitors to
11 again address the board. Would anybody like to
12 address the board? I am going to play visitor for
13 a second. This is the last meeting before we --

14 MR. SMITH: You have to state your name and
15 your address.

16 PRESIDENT GELWICKS: Yes, thank you. I need
17 another assistant. This is the last meeting before
18 we induct the new board. In that meeting just
19 because of the way that the dates on the calendar
20 fall, the certification I believe or whatever the
21 county calls the certification process occurs, I
22 believe, April 28th which means that the first time

1 we can have the new board is after that. And our
 2 next meeting is not a televised meeting.
 3 I would like to just make a couple of
 4 thank yous to my fellow commissioner to the right
 5 here, Commissioner Jaros. I really appreciate the
 6 efforts that he's put forward for the residents and
 7 for this park board. What people don't see out
 8 there in the community is what goes on behind the
 9 scenes. And when I came on the board Commissioner
 10 Jaros certainly helped me understand what was going
 11 on here as a board member. And it takes a while.
 12 But he has a couple of expertises that I am going
 13 to sorely miss. He certainly has helped me with
 14 Roberts Rules of Order. Commissioner Jaros certainly
 15 understands that and has helped me in my position
 16 here to make sure that things move forward smoothly
 17 from a meeting perspective and that we do things the
 18 way they're supposed to be handled.
 19 And secondarily, while he's an attorney and
 20 he certainly has some insights from a legal perspective
 21 on anything that we do, but he has really got an
 22 in-depth knowledge of the Park District Code and has

1 certainly done some things in helping us as a board
 2 to move forward in many areas because of his knowledge
 3 or kept us from going the wrong -- straying in the
 4 wrong direction because of that knowledge. And
 5 those are things that not anybody can do on this
 6 board. And it's certainly been a passion of his.
 7 And I would like to thank him for it and really
 8 appreciate everything you have done here at least
 9 helping me through this whole process and helping
 10 the board and something that I don't think the rest
 11 of the community sees out there. So I really thank
 12 you for that and good luck.
 13 MR. JAROS: Thank you very much, Bob. I
 14 appreciate it. It's been a joy and a delight to be
 15 of service here on this volunteer board to all of
 16 the residents of our fine Downers Grove Park District.
 17 PRESIDENT GELWICKS: Thank you. With that
 18 motion to adjourn?
 19 MS. ENGEL-ACCETTURA: I will make a motion to
 20 adjourn to executive session under Section 2(c)(1)
 21 and 2(c)(5) of the Open Meetings Act for the
 22 discussion of personnel and land acquisition

1 respectively.
 2 MR. SMITH: Second.
 3 PRESIDENT GELWICKS: Roll call, please?
 4 MS. RANK: Miss Engel-Accettura?
 5 MS. ENGEL-ACCETTURA: Aye.
 6 MS. RANK: Mr. Smith?
 7 MR. SMITH: Aye.
 8 MS. RANK: Mr. Gelwicks?
 9 PRESIDENT GELWICKS: Aye.
 10 MS. RANK: Mr. Jaros?
 11 MR. JAROS: Aye.
 12 MS. RANK: Miss Mahoney?
 13 MS. MAHONEY: Aye.
 14 PRESIDENT GELWICKS: Motion approved. Good
 15 evening, everyone. Thank you.
