Are you a real party animal? Celebrate your birthday at Lyman Woods! Your wild birthday party includes outdoor adventures led by a naturalist, as well as time for opening gifts and eating cake. Choose from one of several nature themes!

Bug Bonanza (May - Sept.) **3 years & up**

Use butterfly nets, bug jars and magnifiers to go on a bug hunt for the tiniest animals at Lyman Woods.

Wildlife Detectives (Year round) **3 years & up**

Grab a magnifier and search the trails for signs of wildlife! Check out biofacts, and identify tracks, scat and animal homes.

Bird Brains (Year round) **3 years & up**

Search the tree tops with binoculars to find our feathered friends, and inspect feathers and other bird biofacts.

Wild Wetlands (Apr. - Sept.) **3 years & up**

Dip into the pond at Lyman Woods to find pond critters! Search for turtles and frogs, and dip for tadpoles, aquatic insects and more!

Snowy Tracks (Dec. - Mar.) **4 years & up**

Take a wild walk through the woods on snowshoes for winter wonders. If poor trail conditions exist, winter wildlife tracking will be substituted for snowshoeing.

Wilderness Skills (Year round) **7 years & up**

Discover what it takes to survive in the wilderness! Explore the wild woods while you challenge your wilderness skills.

Orienteering (Year round) **7 years & up**

Put your map skills to the test as you find your way through the forest navigating an orienteering course!

Predator & Prey (Year round) **7 years & up**

Examine skulls and pelts as you explore the adaptations that help predators hunt and help prey from becoming dinner!

Gross Out Nature (Year round) **7 years & up**

Explore the not-so-pretty side of nature! We'll explore all that is slimy, stinky and just plain gross.

\$100/party (up to 10 children)

\$5 each add'l child

ADD ON CAMPFIRE FUN!

Extend your birthday party with a 30-minute campfire, complete with marshmallow roasting for an additional fee.
