### **2011 PERMANENT STARTING TIMES**

The permanent tee time package offers a 24 week season of golf at a reserved starting time on either Friday or Sunday mornings. A complete foursome is required to obtain a permanent tee time. The 2011 season will begin Friday, April 15<sup>th</sup> (April 17<sup>th</sup> for Sunday times) and continue through Sunday, September 25<sup>th</sup> (September 30<sup>th</sup> for Friday times). Permanent tee times begin at 6:00AM and continue through 9:30AM.

### **Fees:**

- The 2011 permanent tee time fee is \$100 per foursome. This does not include greens fees. One valid credit card is mandatory per group. This card must at least have a 2012 expiration date on it.

### **Returning Foursomes:**

- All returning 2010 permanent tee time foursomes who kept pace and properly followed the procedures and regulations are eligible to renew their permanent time for 2011. Applications must be received no later than Monday, February 28<sup>th</sup>, to keep previous year's time. **NO EXCEPTIONS!**

### **New Foursomes:**

- On Tuesday, March 1<sup>st</sup>, the Downers Grove Golf Club will accept new foursome applications and payments. Any available tee times will be sold on a first come-first served basis.

### **Payment – All Foursomes:**

- The permanent tee time fee (\$100) for the entire foursome must be paid in full at the time of sign up. The enclosed application **MUST** be filled out in its entirety (including emails) for application to be accepted. Staff will return ones that are not filled out entirely. Checks are payable to: **DOWNERS GROVE PARK DISTRICT.**

### **Important Policies:**

- The leader of the foursome **MUST** supply accurate credit card information. The expiration date must be after 2011 season. This information is kept secure and will only be charged in the event that one or more of your foursome doesn't make the scheduled tee time. It is a privilege to have a permanent tee time so we just need you to communicate with the course. \$18.50 fee per person that missed and didn't communicate will be charged to the leader of the foursome's credit card.
- As a prerequisite to having a permanent tee time, each foursome is expected to **KEEP PACE** by finishing the 9<sup>th</sup> hole within 8 minutes of the group ahead, or by playing in no longer than two hours and thirty minutes. Foursomes who do not continually **KEEP PACE** will lose their permanent tee time without refund.
- Foursomes must report to the starter no later than 15 minutes before their scheduled time. Failure to report will cause the cancellation of your group's time that week without credit or refund.
- Permanent tee time foursomes are expected to play at their assigned starting time "rain or shine", unless the course is closed, or a representative from the foursome calls 24 hours in advance and cancels a member of the foursome or the entire foursome.
