

Downers Grove Park District

Outdoor Tournament Permit Guidelines

Purpose:

An athletic field permit is required for any structured Group/Organization conducting a game or event. Due to the impact of large group athletics on park property, a completed tournament application is required for all tournaments or similar athletic events prior to the issuance of a permit. General drop-in use of Downers Grove Park District athletic fields do not require a permit, however, a group or organization with an approved permit shall have priority use of any park district facility.

Scheduling Priority:

- A) Downers Grove Park District programs.
- B) District 99 & District 58.
- C) Recognized affiliates.
- D) Charitable not-for-profit organizations based within Downers Grove Park District boundaries.
- E) Private groups consisting of 60% Downers Grove Park District residents.
- F) Groups outside the district with less than 60% residency.

The Downers Grove Park District will attempt to accommodate all requests made. However, due to high demand of facility/athletic field use, requested date(s) may not be available.

Requirements:

1. **Insurance Requirements:** Certificate of insurance for \$1 million naming the Downers Grove Park District as 'additionally insured', or a level as otherwise determined by the Director of Recreation or her designee. Insurance must be maintained through the season for which it is filed.
2. **Registration Rosters:** All teams participating in an athletic tournament are assumed to be non-resident teams for billing purposes. Groups/Organizations wishing to be billed at resident rates are required to submit rosters with names and addresses consisting of 60% or greater Downers Grove resident representation. Each individual roster will constitute a team regardless of number of players.
3. **Deposit:** A non-refundable deposit of \$200 must be received by the Downers Grove Park District before permits are issued, this deposit will applied to the balance due on the final invoice.

Criminal Background Checks: The Downers Grove Park District recommends the Community Group/Affiliate conduct criminal background checks for all employees and volunteers age eighteen (18) and older who directly supervise individuals under the age of eighteen (18) years of age and to cross reference such persons with the Illinois State Police Sexual Offender listing in accordance with Board policy. The Community Group/Affiliate is solely responsible for determining if any conviction should preclude employment or volunteer services.

Insurance:

The Downers Grove Park District requires all applicants provide a certificate of liability insurance.

- A. Provide General Liability Insurance with limits of not less than \$1 million (unless determined otherwise) CGL insurance shall be written on Insurance Services Office (ISO) occurrence form CG 00 01 10 93, or a substitute form providing equivalent coverage, and shall cover liability arising from premises, operations, independent contractors, products- completed operations, personal injury and advertising injury, liability assumed under an insured contract (including the tort liability of another assumed in a business contract), and shall not be endorsed to exclude claims arising from athletic participation.
- B. The Downers Grove Park District must be named as an additional insured using ISO additional insured endorsement CG2026 or a substitute. The insurance policy shall not be suspended, voided, canceled, reduced in coverage, or in limit except after 30 days written notice has been given to the District by certified mail and a return receipt requested. Insurance forms must be submitted to the District prior to use of fields.

Cancelations:

A full refund is issued when a “refund request form” is submitted to the Park District at least 24 hours prior to the rental date. If inclement weather conditions result in a cancellation of an athletic field permit, request for a refund must be made in person and a “refund request form” submitted within five working days after the permit date. Failure to show on rental date shall constitute a forfeiture of the rental fee and may result in loss of future permitted dates.

Athletic Field Use/Modifications:

Field dimensions and layouts must be submitted to the Downers Grove Park District a minimum of 30 days prior to start of games. Requests to modify or improve Downers Grove Park District’s fields shall be submitted (in writing) to the Director of Recreation or her designee.

No temporary or permanent structures and/or equipment shall be erected on Downers Grove Park District property unless approved by the Director of Recreation or her designee.

All Park District fields will be mowed and maintained by staff according to park district schedule. Groups/Organizations are not authorized to mow or line park district fields without prior consent from Park District Administration.

Fees:

Please see attached Tournament Fee Structure. (based on group designation). **In addition, athletic field hourly rental fees will be charged in accordance with Park District Operating Guidelines.**

Concessions:

The Downers Grove Park District reserves exclusive rights to sell concessions at Park District owned facilities. Groups/Organizations interested in providing their own concessions via in-house or outside vendor must seek approval from the Director of Recreation or her designee and meet all requirements set forth by the DuPage County Health Department. A full inspection must be scheduled and completed by the group/organization at the group/organization's cost. After successful completion, a 'Temporary Food Permit' will be issued by the Health Department. A copy shall then be submitted to the Downers Grove Park District at least five (5) days prior to use. A vendor/concessionaire fee of \$100 will be assessed per provider per day.

Lighted Fields:

Lighted field use will only be available by permit. In general, lights are not to be turned on before dusk unless otherwise approved by the Downers Grove Park District. All games are to be completed with lights turned off by 11:00 pm. Field lights will be charged at a rate of \$30 or \$45 per hour per field depending on group/organization classification (see attached Fee Structure).

Littler/Trash Removal & Property Damages:

All Groups/Organizations are responsible for the orderly condition of the field and adjacent areas affected by the group's permit upon their departure. Groups/Organizations are required to police permitted property for litter/trash/property damages after athletic field use. The deposit will be retained to cover excessive clean-up cost and damage to property or equipment. If the cost of repairs exceeds the amount of the security deposit, the individual signing the application shall be responsible for the balance and will be billed accordingly.

Charged Admission Fees and Product Sales:

Permits are not issued to individuals or groups charging admission or fees for the purpose of private monetary gain unless written permission is granted by the Administrator or his designee. No person shall sell, offer to sell or exchange property, or buy, or exchange any property, or take up any collections of any money or property of value in or on Park District facilities. A request must be made (in writing) at least thirty (30) days in advance to approve any group/organization to charge a fee to spectators at any facility or to conduct onsite merchandise sales or promotions. A vendor/sponsor fee of \$100 will be assessed per provider per day.

Inflatables/Attractions

Groups/Organizations interested in providing an inflatable structure as a part of an event such as a bounce house, must seek approval from the Director of Recreation or her designee. Inflatables must be rented from a company that has a certificate of insurance for \$1 million naming the Downers Grove Park District as 'additionally insured.' The Downers Grove Park District reserves the right to limit the number and size of inflatable being used. Inflatables are to be set up only by the rental company in compliance with manufacturer specifications. The rental company may be responsible for providing a generator if electricity is not available at the park location. The generator shall be placed at a safe distance from the inflatable and electrical cords covered to prevent tripping hazards. **Additional gasoline cans MUST NOT be stored next to the generator. The rental company must provide a fire extinguisher that is equipped to extinguish any fire that may occur.** Inflatables must be under supervision by an adult at all times and

reflect safe levels of operation in accordance with manufacturer's recommendations. Any fees/admission for inflatable(s) must be approved by the Director of Recreation or her designee.

Liability:

The Downers Grove Park District is not responsible for any accident or loss of property with any approved permit.

Support Services:

Upon approval by the Park District Director of Recreation or her designee, all Groups/Organizations shall arrange and pay for support services deemed necessary such as temporary utilities, portable restrooms, security personnel, medical personnel, officials and technical sound/lighting.

Park District personnel required for any special set-up/strike, maintenance or cleaning will be billed at the established Overtime rate of \$25 per man hour.
