golf courses

36,000
Rounds played each year

15,677+
Visits to golf club webpage

1,035,000+
Balls hit at the driving range
each year

When?

The Golf Club and driving range are open year-round when weather conditions allow.

What?

Downers Grove Golf Club is a scenic nine-hole course & was the home of the first 18-hole golf course in America.

Where?

The Golf Club is in the northwest corner of Downers Grove, with easy access from I-355 and I-88.

Why Partner?

As the only golf course in Downers Grove, partnering with the Downers Grove Park District provides a highly effective way to reach golfers in the town.
