APRIL 2017

3 - YEAR OLDS

The rain is falling  
down in drops.  
Drip drop, drip drop!

The rain is falling  
down in drops.  
Drip drop, drip drop!

The rain is falling  
down in drops, we  
can't go play until it  
stops!

Oh, the rain is falling  
down.  
To the ground.  
Where it makes lots  
of mud!

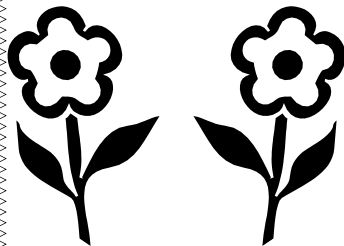

Squish, Squish,  
Squish!  
(sung to The Ants go  
Marching In)

Dear Parents,

After a restful spring break, we are looking forward to a busy month. We will learn about the circles and as well as the number 4. Now that the weather is getting nicer we would like to try to get outdoors. Please help us by taking your child to the restroom before class and dress for the weather.

Our walking field trip to the **Downers Grove Library** will be on Wednesday, April 19 (M/W classes) and Thursday, April 13 (Tu/Th classes). The staff at the library always has a wonderful selection of books, songs, and finger plays to share with us! **PLEASE remember to dress your child** in weather appropriate clothes and comfortable walking shoes (no sandals or crocs, please).

In April, we will also be conducting our semi-annual fire drill for all students in the Lincoln Learning Center, as well as having a tornado drill.
