RE: Addendum # 3 to the Bid Documents for **Districtwide Sealcoating 2020**  
**NOTICE OF PUBLIC BID CANCELLATION**

This Addendum consists of 1 page.

1. Due to unforeseen circumstances the Bid Opening for the **Districtwide Sealcoating 2020** project scheduled for 2:00 p.m. **Tuesday, May 12, 2020** at the Downers Grove Park District Administrative Offices, 2455 Warrenville Road, Downers Grove, IL 60515 has been **CANCELLED**. The pre bid meeting scheduled for Tuesday, May 5, 2020 at 11:00 a.m. has also been **CANCELLED**. The Park District will not be accepting bids for this project.

We appreciate the time and effort each contractor committed in preparing a bid for the project and apologize for any inconvenience this may have caused during these unusual times. Later this summer, we hope to have new information that could allow us to perform a project with a significantly reduced scope of work. Should this occur we would like to extend each contractor receiving this addendum an opportunity to submit a proposal.

The foregoing addendum has been received by the following contractor. **(Optional)**
