

PRESCHOOL ENRICHMENT!

Supplement your child's preschool experience

Lincoln Learning Center Preschool Enrichment

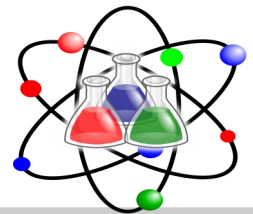

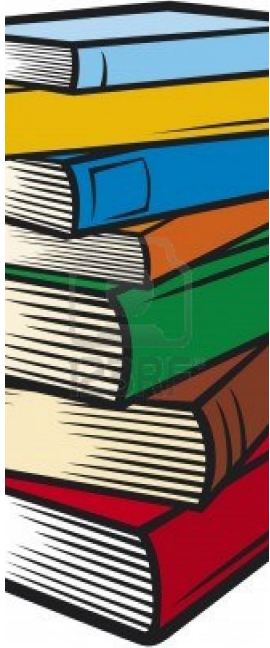

Lincoln Learning Center students engage in interactive, hands-on activities while learning about preschool concepts in the subjects of Spanish, Math and Science. Registration is only available to those children in the Lincoln Learning Center Preschool. Children will be escorted by Preschool teachers to and from their regular class if applicable.

No class: April 14, 2017

Spanish: Children will learn about shapes, numbers, letters and colors in Spanish while being introduced to basic language.

Math: Children will go more in-depth with math concepts regarding shapes, categorizing, sequencing, matching, addition and subtraction.

Science: Children will learn about a variety of science concepts, as well as participate in science experiments.

Registration starts December 12, 2016
