STAFF AND COMMITTEE REPORTS

Executive Director – Executive Director, Bill McAdam, thanked Chris Kapus for our new screen in the Multi-purpose room. Bill talked about revisiting McCollum Park, and has had 2 conversations with Joe Brusseau from Hitchcock Design Group to help re-update the master plan and to help with the OSLAD application. Bill also discussed that he and Erik Brown started conversations with Eric Anderson from the bond counsel. Bill will continue working with Eric and have a presentation to the board regarding selling some bonds for the McCollum project. The next workshop meeting the Park District will have a final draft of the Walnut Park Master Plan to start making changes and start the community engagement process. Commissioner Dahlstrom asked if the board will be presented with materials on the August 5th meeting? Bill responded that he hopes it will be prior to the meeting.

Recreation - Director of Recreation, Dave Haring mentioned that the summer programs continue to rebound back to pre-pandemic levels. The youth flag football registration is at 460 participants and youth soccer is at 1,257 participants. The numbers will probably go up due to waitlists. Due to capacity requirements, the 2021 Spring Dance Recital took place on Saturday, June 5th and was held outdoors at Fishel Park. Miner Mike's mini golf and concession stands are all up and running and open seven days a week.

Golf – General Manager, Ken McCormick discussed that the golf club had 6,717 rounds of golf played. The major change for the golf course in the month of June was the organization of the clubhouse with a designated bar and pro-shop now being available to golfers. Ken mentioned that lessons and camps all have waitlists. During the month of July, the golf club has the return of the couples scramble golf outing with a new tee time format. Ken also mentioned that Herbert James Tweedie has been selected for induction into Illinois PGA's Illinois Golf Hall of Fame. Tweedie founded and designed the course at Belmont Golf Club (today called the Downers Grove Golf Club)

Marketing – Director of Marketing and Community Engagement, Dawn Hartman discussed in honor of July as Park & Recreation Month and to help celebrate the 75th Anniversary of the Downers Grove Park District, the marketing team is asking the community to share their special parks and recreation stories. The Marketing team also launched the Picture This! Photo Scavenger Hunt on July 1st. Due to rain, the Prince Pond Grand Re-opening Celebrations has been rescheduled to 4 p.m. on Thursday, July 29th. The Party in the Park at Hoopers Hollow is scheduled for 4 p.m. on July 21st and the BBQ Bolt Run/Walk will be held on Saturday August 28th.

Planning- Superintendent of Planning, ADA Coordinator, Paul Fyle, mentioned that the heavy rains finally allowed Prince Pond to fill with water and that the fountains were installed this week. The soil borings were completed on June 23rd at Doerhoefer Park and the consultant is currently reviewing the results. Paul also discussed that new playground mulch was delivered and installed on 14 playgrounds during the week of June 14th.

Parks – Director of Parks and Planning, Geoff Penman mentioned that there are a lot of little things going on with repairs. Staff has been troubleshooting and finding things that needed to be fixed. Forestry Staff provided assistance to the Village of Woodridge to help clean up damaged trees in their parks. The Environmental Committee will be bringing to the Board (in August) regarding the environmental report card. It's a self-assessment how we do on environmental issues in the District.

Human Resources – Director of Human Resources, Marian Olund mentioned that now that the Personnel Manual has been approved she will be reviewing all the job descriptions and will update accordingly. Marian is also working on the bargaining agreement with staff.

Finance/IT – Director of Finance and Technology, Erik Brown, discussed the cash balance continues to exceed previous years by about \$1 million from what the District would typically expect. This is attributed to the following: 1. Lack of capital spending in 2021; 2. Golf revenues continuing to perform at a considerable pace; and 3. Low overall spending. Revenues are tracking at 51% of budgeted revenues compared to 48% & 49% the past two years. Expenses continue to be well maintained for the year, currently only performing at 1% more than 2020. The American Rescue Plan Act Funds have been determined for cities/villages and school districts, however, park districts and other special units of government in Illinois are awaiting further information from the State. On the IT side, touchscreen whiteboard/TV monitors for Board meetings have been received and installed.

SEASPAR – No report

UNFINISHED BUSINESS –None

RECOGNITION OF VISITORS – Karen Lesniak, SEASPAR wanted to take the opportunity to thank the Park District for being so supportive of SEASPAR. It's a beautiful relationship.
