## YOUNG REMBRANDTS ON-DEMAND DRAWING WORKSHOPS

**Complete at Your Convenience**

**Mondays: June 15 and July 1**

Stimulate those brains! Screen time isn't just watching TV/ Come draw with Young Rembrandts and develop vocabulary, fine motor skills and art techniques. Best thing? Each time your child takes a class, they will be walking away with a complete piece of artwork. By registering for this class, you will gain access to four pre-recorded video classes plus one mystery bonus lesson! All five classes for each class group will be released on the specified date, but can be registered for at any time. Because classes are pre-recorded, they can be watched at any time, paused, and even re-watched up to 5 times! Choose from three different class groups, or sign up for all of them! Supplies needed: a piece of paper, a pencil, a sharpie, and colored markers/crayons.

## VIRTUAL MAD SCIENCE CAMPS

**July 20-24 • Aug. 10-14 • Aug. 24-28 • 9-11:30am**

Inspire the inventor and scientist in you! Campers will overcome a series of challenges using basic materials, simple machines, tips from famous inventors and the most important of all---their mind! With a little bit of ingenuity children will create catapults and forts, and even construct their own working Light Sabers!! While Thomas Edison said "invention is 10% inspiration and 90% perspiration", this camp is 100% FUN! Camp Bags will include the necessary log in information to access the camps, at home activity sheets, list of optional materials kids can gather to perform some of the experiments at home and our cool take home items. All Camp Bag contents are designed to give kid hands-on experience during the classes and to extend the educational impact with activities that can be done long after the live portion is completed.
