

# LINCOLN LEARNING CENTER NEWS

APRIL 2019

3 - YEAR OLDS

Dear Parents,

The rain is falling  
down in drops.  
Drip drop, drip drop!

The rain is falling  
down in drops.  
Drip drop, drip drop!

The rain is falling  
down in drops, we  
can't go play until it  
stops!

Oh, the rain is falling  
down.  
To the ground.  
Where it makes lots  
of mud!

Squish, Squish,  
Squish!  
(sung to The Ants go  
Marching In)

After a restful spring break, we are looking forward to a busy month. We will learn about the colors orange and pink. Now that the weather is getting nicer we would like to try to get outdoors. Please help us by taking your child to the restroom before class and dress for the weather.

Vision and Hearing screening provided by the DuPage County Health Department is scheduled for April 16th & 17th. Sign up with your classroom Teacher with payment of \$10.00 in cash (exact amount please) and checks made out to the Downers Grove Park District.

In April, we will also be conducting our semi-annual fire drill for all students in the Lincoln Learning Center.
