Be my Valentine!**

Dear Parents,

Again we have a busy month ahead of us! We will be celebrating Valentines Day, talking about the Presidents’ Birthdays and learning about a square and circle, as well as the colors pink and purple.

Our Valentine celebrations will take place on Thursday February 11 (Tu/Th class) and (T/W/Th class) Please have your child bring one signed Valentine for each child in their class however, do not address them to the other children. This will make it easier for your child to “mail” them to their classmates.

Parent/Teacher conferences are usually in February. Due to unusual school year we are canceling the tradition conference. With traditional conferences canceled the students will have school on February 25th. In place of conferences the teacher will have check ins with the parents in March. More information about the check in will come late in February.

Registration for the 2021-22 school will begin online March 4th for returning and siblings. Before the 4th check your log in information for your WebTrac account since you will need this for registration. If new students are looking to attend Lincoln Learning Center next year their registration date will be March 22nd.
