

Lincoln Learning Center News

JANUARY 2021

4/5 - YEAR OLDS

It is snowing
All around
Soft, silent
snowflakes
Not a sound

Dear Parents,

Happy New Year! We hope your holidays are relaxing and enjoyable.

When you arrive back at school, there are a few things to remember when the snow and ice arrive. Please remove your child's boots outside the classroom and leave them in the hallway. This helps to keep our floors safe and dry. Do not forget to have another pair of shoes for your child to wear in the classroom. Please label the boots as many of the children have the same type. For those participating in the curbside drop-off and pick-up program, please do not send your child in snow or rain boots and snow pants.

If Downers Grove School District 58 cancels classes and moves to remote due to hazardous weather conditions, the Lincoln Learning Center Preschool will also be closed. Please check your email or Rainout line for updated information.

Thank you for your patience during this difficult time. Please know decisions are made based on our number one priority safety. I am excited to see the kids back at school.—Sara

Registration for 2021-22 school year

Priority registration will include current students and siblings. The registration will be online and will start March 4th. More information about the process will be sent to your email. There will be no lottery so enrollment will be given on first come basis. As always please contact me with any questions.
