

# PRESCHOOL ENRICHMENT!

Supplement your child's preschool experience

Students will engage in interactive, hands-on activities while learning about preschool concepts in the subjects of Spanish, Math and Science. Students enrolled in the Lincoln Learning Center Preschool will be escorted by Preschool teachers to and from their regular preschool class if applicable.

**Spanish:** Children will learn about shapes, numbers, letters and colors in Spanish while being introduced to basic language.

**Math:** Children will go more in-depth with math concepts regarding shapes, categorizing, sequencing, matching, addition and subtraction.

**Science:** Children will learn about a variety of science concepts, as well as participate in science experiments.
