

OAKT OBER

OAK AWARENESS MONTH

SWAMP WHITE OAK

MATURE HEIGHT
50-60 feet

MATURE WIDTH
50-60 feet

LIGHT EXPOSURE
Full sun (6 hours
direct light daily)

SOIL PREFERENCE
Acid soil, Moist,
well-drained soil

Swamp white oak is a striking tree with attractive peeling bark, which is especially prevalent on young trees. The lustrous, lobed leaves have a two-tone appearance, dark green on top with a silvery-white underside. Fall color is an orange-gold to yellow in mid-autumn. An excellent shade tree for any landscape.
