

4500 Fitness Personal Training Staff

A personal trainer will design a workout customized for you, help you learn correct and safe techniques, stay motivated and meet your goals. Our registered dietitian will work with you to design a diet program to help you lose weight or ensure good health.

For information or to make an appointment with a personal trainer, call 630.960.7250.

Anna Aquino

Anna is certified by the American Council on Exercise and is eager to help you experience the physical and emotional benefits of fitness. Her goals are to educate and motivate you and to help you define and achieve your fitness goals and maintain a healthy, active lifestyle.

Taisha Selby

Taisha is a National Academy of Sports Medicine Performance Enhancement Specialist. She has been a personal trainer for over 15 years. Taisha also holds certifications from AFAA as a group fitness instructor, TRX small group training, Zumba, and Pound licenses. With a Bachelor's in Exercise Science she is well equipped to educate you as she helps you navigate along your fitness journey. Her goals are to motivate you and assist you in reaching your fitness goals.

Luanne Spiros

Luanne is an ACE Certified Personal Trainer, YA Yoga instructor, PMA Pilates Instructor, Prosci Behavioral Change Coach, Senior Fitness Specialist, Lifestyle Consultant, and a Whole Food Plant Based (WFPB) Cooking Coach. She incorporates a holistic approach to her client sessions, targeting multiple dimensions of health and wellness. Her focus on teaching proper posture, mobility, and balance allow her clients to develop confident body awareness while exercising. Luanne believes lifelong healthy habits result from small steps grounded in support, skills, accountability, and confidence. Together Luanne and her clients blaze new trails with small steps.

Pete Wilt

Pete is certified by the American Council on Exercise and is dedicated to providing you with the knowledge and motivation to achieve and maintain your fitness or sports performance objectives. Pete incorporates the latest health information and techniques into your customized training plan.

IMPORTANT INFORMATION

Responding to the Health Questionnaire is purely voluntary and you do not have to share your responses with the staff of the Downers Grove Park District Fitness Center. However, please recognize that individuals with coronary risk factors or other medically significant risk factors, run a greater chance of cardiovascular incident or increased risk of injury during physical activity. Although you are solely responsible for determining if you are physically fit for any and all fitness activities, it is always advisable, especially if you are pregnant, suffer from an underlying medical condition, take medication, smoke cigarettes, have a family history of coronary disease, or have recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Please recognize the staff of the Fitness Center are not medical practitioners. However, any voluntary communication of the above requested information to our staff may assist the staff in identifying adverse signs and symptoms that might compromise your well-being and which should be evaluated and assessed by qualified medical personnel.
